User Stories

- As a tourist, I want to view a list of all the tourist attractions.

- As a tourist, I want to view a short description of each tourist attraction.

- As a tourist, I want to know the category of each attraction so that I can decide if a particular attraction matches my interests.

- As a tourist, I want to read the review comments provided by other users for each attraction.

- As a tourist, I want to view the address of each tourist attraction and its location on a map, so that I can easily arrive at the correct location.

- As a tourist who has visited a particular attraction, I want to post a review for that attraction.

- As an anonymous user, I want to sign up for and log into my reusable user account, which I can use to post reviews for the attractions that I have visited.

- As newly signed up user, I want to receive a text message containing See Singapore's hotline number, so that I can easily contact the See Singapore service team by phone in case I can't access the internet (or the See Singapore app) during my travels.

- As a logged in user, I want to log out of my user account.
